3. A list of results appears. Click on the Details link to the left of the correct name and address.

If your name does not appear in the list, please make sure that you have typed your name in the same as you did when you registered to vote. For example, John Smith will not produce any results if you are registered as Jonathan Smith. Call the Board of Elections if you have any questions regarding your voter registration.

4. You will have to scroll down a few lines on the details page in order for the Sample Ballot link to appear. Click on the Sample Ballot link and a separate window will open containing a PDF file of your sample ballot.

If there are no ballots for an upcoming election, because your precinct does not have anything to vote on, a no ballots are available for viewing message will appear to the right of the Sample Ballot text.
