Statement of Expenditures - Form 31-B

The Statement of Expenditures lists the purpose for which funds were used, the name and address of the entity to which the expenditure was made, and the amount and date of each expenditure [R.C. 3517.10(B)].

The date listed for each expense should be the date that a check or other payment instrument is mailed, handed over or transmitted. List each payee's complete street address.

The Date block should be completed with six digits. For example, March 9, 2001, would appear as 03 09 01.

The Purpose block should list the specific reason that the expense was made; purposes such as "expense" or "miscellaneous" are vague, and therefore, not acceptable.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

The Check Number block should be completed with the number of the committee check used to make the expenditure. Expenditures made by personal check should not be listed on this form.

Copies of canceled checks or receipts for all expenses more than \$25 must be attached to the report. A copy of the bank statement may be used for bank charges more than \$25. In the event that the report is due before checks are available, note within the report which checks are outstanding. As soon as the checks are available, they should be filed as an addendum to the report. The addendum should either bear a cover letter or a report cover page clearly indicating what committee is filing and what type of addendum is being filed. Do not wait until the next reporting period to file the addendum to the former report. Do not attach checks from one report to a report from a different reporting

period.

If expenses are billed to a credit card, the Statement of Expenditures should not reflect only a single entry to the credit card company. Each underlying date, recipient, amount and purpose must appear. If the committee uses a credit card, a copy of the itemized billing statement or credit card receipt should be attached in addition to a copy of the canceled check to the credit card company.

The administrative, establishment and solicitation expenses paid by a corporate or labor organization sponsor of a PAC should not be listed on this form. (See Form no. 31-I.)

An internal transfer of committee funds or an investment purchase such as a certificate of deposit should not be shown as an expenditure. The money still belongs to the committee and has only been moved into a different account. The campaign finance law does not prohibit committee investments, although such investments may not be in the name of a candidate.

A check from a contributor that is returned because of insufficient funds should be itemized on this form, stating the name, address, amount and reason.

The total expenditures for each fund-raising event should be transferred to this form. A transfer is done by placing the words, "Expenditures from Form 31-F" in the To Whom Paid block along with the amount in the amount block.

Any independent expenditures made by a campaign committee, political party, legislative campaign committee, PAC or political contributing entity must be itemized on Form 31-U.

The total of all Statement of Expenditures pages should appear on line 5 of the cover page.

Ohio Campaign Finance Report (Cover Page) — Form 30-A

This form has been designed so that candidates' campaign committees, legislative campaign committees, political action committees (PACs), political contributing entities (PCEs) and political parties all use the same form.

Cover pages identify who filed the report and what reporting period is covered. They also summarize the details inside the report. Do *not* use the cover page as a substitute for listing information on the appropriate form. For example, do not explain about receiving interest on the cover page; report the interest on the Other Income form. Candidates who qualify may file a Cover Page only report per R.C. 3517.10(H).

The registration number of a statewide PAC should appear on each report, addendum or piece of correspondence.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

The Date block should be completed with six digits. For example, March 9, 2005, would appear as 03 09 05.

The Amended Report box should be marked "Yes" only if the report is being filed to correct, add to, or in some way change a report that has already been filed. Do not combine a correction report (addendum) with an original filing. For example, *do not* attach canceled check copies from a prior report to a subsequent report.

The Report Electronically Filed box should be marked if the report was filed electronically.

The cover page is the means by which a committee may terminate. If the committee has no debts, no loans and no balance on hand, and the committee wishes to close, mark the box next to the word "termination."

Only statewide candidates file monthly reports. They do so only in the year in which they run for election.

The first report filed by a committee should reflect a zero on line 1 (amount brought forward). Otherwise, line 1 should be the same amount that appeared on line 6 (ending balance on hand) of the last previously filed report. Do not list a different amount

with an explanation. Any discrepancy between the last ending balance and the current amount brought forward must be accounted for by an addendum. The ending balance on hand *should not* be a negative number. This would indicate that your committee has spent more funds than it has received.

The monetary totals on Lines 1 through 6 should include only contribution, expenditure and loan activity that transpired through the committee's separate bank account(s).

A candidate's report must be signed by the treasurer or deputy treasurer. If a treasurer was not appointed, the candidate is the treasurer. It may be helpful to designate a deputy treasurer in the event that the treasurer is not available to sign the report at the time of a filing deadline. The candidate *cannot* sign the report unless he or she is the treasurer or deputy treasurer [R.C. 3517.081, 3517.10(C), (D)].

PAC, PCE, political party and legislative campaign committee reports must be signed by either a treasurer or deputy treasurer. The original signature of the treasurer or deputy treasurer must appear.

Electronic Filing Entities Only - State PACs, state PCEs, political parties, legislative campaign committees and campaign committees of general assembly and judge of a court of appeals candidates must list on line 13, the sum of lines 2, 7 and the amount of any new loans received this period. This calculation is necessary to determine the amount of total contributions for purposes of deciding if a committee has reached the electronic filing thresholds in R.C. 3517.106.
