Instructions for the Ohio Campaign Finance Report (Cover Page) Form 30-A

The Ohio Campaign Finance Report, commonly referred to as the Cover Page, identifies the committee filing the report and what reporting period is covered. It also summarizes the details of the report. The cover page is not a substitute for listing detailed information on the appropriate forms, unless the committee qualifies for the Short Form Report (see below).

Committee Information

Complete the top section of the form with all the information required for the specific type of committee.

Type of Report

Select the type of report being filed and enter the appropriate year. Only statewide candidates file monthly reports, and only in the year in which they run for election.

Amended Report

Amended Report should be marked "No" for all original reports. The box should be marked "Yes" only if the report is being filed to correct, add to, or in some way change a report that has already been filed. Do not combine a corrected report with an original filing (e.g., do not attach canceled check copies from a prior report to a subsequent report).

Terminations

The Cover Page is the means by which a committee may terminate. If the committee has no debts, no loans, and no balance on hand and the committee wishes to close, mark the box in the Termination section.

Short Form Report

If a candidate has no activity before January 1 of the year in which the candidate appears on the ballot, and spends \$500 or less and receives \$500 or less in that same year in which the candidate appears on the ballot, then only the cover page of the campaign finance report is required to be filed at either the post-primary or post-general filing deadline. If a candidate is filing a Short Form Report, mark the box in this section. For more information on the Short Form Report requirements, please see Chapter 2 of the Ohio Campaign Finance Handbook.

Activity (lines 1 through 12)

Lines 1 through 6 relate to the actual monetary transactions (contributions, other income/interest, and expenditures) that occurred during the reporting period for which the report is being filed.

Line 1 should be the same as the ending balance on hand of the last report filed. For a newly established committee, this line will reflect \$0.

Lines 2, 3, and 5 should be completed by transferring the amounts from the corresponding forms to the Cover Page.

Lines 4 and 6 should be computed as the form instructs. Note: Line 6 should never reflect a negative number, as that would indicate the committee spent more than it received.

Lines 7 through 12 are statements of valuation for non-monetary transactions, as disclosed on the corresponding forms. These totals will not affect the Line 6 total.

If there is no activity corresponding to a line, that line total should reflect \$0.

Signatures

A candidate campaign committee report must be signed by the treasurer or deputy treasurer. A candidate cannot sign the report unless he or she is the treasurer or deputy treasurer. PAC, PCE, political party and legislative campaign committee reports must be signed by the treasurer or deputy treasurer.

*Required for contributions from individuals over \$100 to statewide and general assembly candidates. If contributor is self-employed, the occupation and the name of the individual's business, if any, rather than employer should be listed. If two or more employees contribute via payroll deduction and exceed the aggregate of \$100, the labor organization of which the employees are members, if any, must also appear. [R.C. 3517.10(B)(4)]

Statement of Contributions Received - Form 31-A

The Statement of Contributions lists all money received *except* interest income, loans, refunds or prior expenditures that are returned to the committee [R.C. 3517.10(B), (D)].

Every contributor's name, address and amount contributed must be listed *except* contributions of \$25 or less received at specific fund-raising events. The treasurer must still keep records of these contributions even if they are not required in the report. Political parties are *exempt* from listing contributor addresses.

If a contribution is received via periodic payroll deduction, the committee may list the aggregate dollar amount received during the reporting period in the Amount field. As the date received, the committee may use the date range of the pay period or the date of the last pay period in which the contribution was received.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

The Date block should be completed with six digits. For example, March 9, 2005, would appear as 03 09 05. The date of a contribution is the date that an agent of the committee receives the contribution. It is not the date of deposit or the date on the check.

A complete street address including a zip code must be provided. The form in which the contribution is received must be indicated, such as check, cash or money order. Cash means currency or coin.

A contribution received from a statewide PAC must list its registration number. A contribution from a Federal PAC may include the Federal PAC registration number. The registration number block may also be used to list that a contribution was received from a political contributing entity (PCE) or a local PAC, neither of which have a registration number.

Legal professional associations and other professional associations that have incorporated and limited liability corporations are not "corporations" under R.C. 3599.03 and are not prohibited from contributing to partisan elections [OEC Adv. No. 96-03]. For reporting purposes, these entities are considered unincorporated associations or, if applicable, partnerships. If a contribution is received from a partnership, unincorporated business or unincorporated association, the name of the person making the contribution *as well* as the company name must be provided.

You should not list the names of two contributors in the Full Name of the Contributor field. Each contribution received from individuals must be attributed to a single person. When a check has more than one individual listed on it, ask who the actual contributor is or list the person who signed the check. (O.A.C. 111-5-21)

Contributors may *not* remain *anonymous* by request. If a contributor does not want to be identified, the contribution *should not be made*. However, if an anonymous contribution is received, efforts must be made by the committee to identify the contributor. If the efforts are unsuccessful, the contribution should have an explanation of the circumstances that caused it to be anonymous and a description of the efforts made to determine the contributor's identity. This information should appear in the address portion of the contribution page entry.

If fund-raising events are held during a reporting period, the **total** amount of contributions received during each event is *transferred* to this form from the Statement of Contributions for a Social or Fund-Raising Event. If public officeholders receive employee contributions, *other than* at a fund-raising event, the total should be *transferred* to this form from the Contributors in Officeholder's Employ form. A transfer is done by placing the words "Total contributions from Form no. 31-E," or "Total employee contributions," as appropriate to the situation, in one of the lines marked Full Name of Contributor.

The total of all the Statement of Contributions pages should appear on line two of the cover page.

The Employer/Occupation/Labor Organization block must be used by statewide or general assembly candidates when they have received individual contributions greater than \$100. If the contributor is self-employed, the occupation and the name of the individual's business, if any, rather than the employer, should be provided. However, **all filers** may use the block for contributions received in any amount from a partnership or unincorporated business when the name of the person as well as the business is required to be provided.

Statement of Expenditures - Form 31-B

The Statement of Expenditures lists the purpose for which funds were used, the name and address of the entity to which the expenditure was made, and the amount and date of each expenditure [R.C. 3517.10(B)].

The date listed for each expense should be the date that a check or other payment instrument is mailed, handed over or transmitted. List each payee's complete street address.

The Date block should be completed with six digits. For example, March 9, 2001, would appear as 03 09 01.

The Purpose block should list the specific reason that the expense was made; purposes such as "expense" or "miscellaneous" are vague, and therefore, not acceptable.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

The Check Number block should be completed with the number of the committee check used to make the expenditure. Expenditures made by personal check should not be listed on this form.

Copies of canceled checks or receipts for all expenses more than \$25 must be attached to the report. A copy of the bank statement may be used for bank charges more than \$25. In the event that the report is due before checks are available, note within the report which checks are outstanding. As soon as the checks are available, they should be filed as an addendum to the report. The addendum should either bear a cover letter or a report cover page clearly indicating what committee is filing and what type of addendum is being filed. Do not wait until the next reporting period to file the addendum to the former report. Do not attach checks from one report to a report from a different reporting period.

If expenses are billed to a credit card, the Statement of Expenditures should not reflect only a single entry to the credit card company. Each underlying date, recipient, amount and purpose must appear. If the committee uses a credit card, a copy of the itemized billing statement or credit card receipt should be attached in addition to a copy of the canceled check to the credit card company.

The administrative, establishment and solicitation expenses paid by a corporate or labor organization sponsor of a PAC should not be listed on this form. (See Form no. 31-I.)

An internal transfer of committee funds or an investment purchase such as a certificate of deposit should not be shown as an expenditure. The money still belongs to the committee and has only been moved into a different account. The campaign finance law does not prohibit committee investments, although such investments may not be in the name of a candidate.

A check from a contributor that is returned because of insufficient funds should be itemized on this form, stating the name, address, amount and reason.

The total expenditures for each fund-raising event should be transferred to this form. A transfer is done by placing the words, "Expenditures from Form 31-F" in the To Whom Paid block along with the amount in the amount block.

Any independent expenditures made by a campaign committee, political party, legislative campaign committee, PAC or political contributing entity must be itemized on Form 31-U.

The total of all Statement of Expenditures pages should appear on line 5 of the cover page.

Statement of Contributions Received - Form 31-A-2

The Statement of Other Income lists all interest income, the total of all loans received in the current reporting period, refunds and all prior expenditures that are returned to the committee.

A complete street address including zip code, should be provided. Bank entries need only the city and state. The form in which the contribution is received must be indicated, such as check, cash or money order. Cash means currency or coin.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

The Date block should be completed with six digits. For example, March 9, 2005, would appear as 03 09 05.

The Type block should reflect one of the two letter codes. "RE" should appear if the Other Income consists of a refund, an uncashed check or the committee's own insufficient funds check.

"IN" should appear if the Other Income consists of investment or interest income earned by the committee. "SA" should appear if the Other Income has been received from the sale of committee assets. "LN" should appear if the Other Income consists of payments on a loan.

A check from a contributor that was not honored by the bank should be itemized on the Statement of Expenditures.

If loans are received during a reporting period, their total is transferred to this form from the Statement of Loans Received form. If payments are received on loans owed to the committee, their total is transferred to this form from the Statement of Loans Received form.

The total of all the Statement of Other Income pages should appear on line three of the cover page.
