## Instructions for the Ohio Campaign Finance Report (Cover Page) Form 30-A

The Ohio Campaign Finance Report, commonly referred to as the Cover Page, identifies the committee filing the report and what reporting period is covered. It also summarizes the details of the report. The cover page is not a substitute for listing detailed information on the appropriate forms, unless the committee qualifies for the Short Form Report (see below).

### Committee Information

Complete the top section of the form with all the information required for the specific type of committee.

### Type of Report

Select the type of report being filed and enter the appropriate year. Only statewide candidates file monthly reports, and only in the year in which they run for election.

### Amended Report

Amended Report should be marked "No" for all original reports. The box should be marked "Yes" only if the report is being filed to correct, add to, or in some way change a report that has already been filed. Do not combine a corrected report with an original filing (e.g., do not attach canceled check copies from a prior report to a subsequent report).

### Terminations

The Cover Page is the means by which a committee may terminate. If the committee has no debts, no loans, and no balance on hand and the committee wishes to close, mark the box in the Termination section.

### Short Form Report

If a candidate has no activity before January 1 of the year in which the candidate appears on the ballot, and spends \$500 or less and receives \$500 or less in that same year in which the candidate appears on the ballot, then only the cover page of the campaign finance report is required to be filed at either the post-primary or post-general filing deadline. If a candidate is filing a Short Form Report, mark the box in this section. For more information on the Short Form Report requirements, please see Chapter 2 of the Ohio Campaign Finance Handbook.

### Activity (lines 1 through 12)

Lines 1 through 6 relate to the actual monetary transactions (contributions, other income/interest, and expenditures) that occurred during the reporting period for which the report is being filed.

Line 1 should be the same as the ending balance on hand of the last report filed. For a newly established committee, this line will reflect \$0.

Lines 2, 3, and 5 should be completed by transferring the amounts from the corresponding forms to the Cover Page.

Lines 4 and 6 should be computed as the form instructs. Note: Line 6 should never reflect a negative number, as that would indicate the committee spent more than it received.

Lines 7 through 12 are statements of valuation for non-monetary transactions, as disclosed on the corresponding forms. These totals will not affect the Line 6 total.

If there is no activity corresponding to a line, that line total should reflect \$0.

### Signatures

A candidate campaign committee report must be signed by the treasurer or deputy treasurer. A candidate cannot sign the report unless he or she is the treasurer or deputy treasurer. PAC, PCE, political party and legislative campaign committee reports must be signed by the treasurer or deputy treasurer.

\* Required for contributions from individuals over \$100 to statewide and general assembly candidates. If contributor is self-employed, the occupation and name of the individual's business, if any, rather than employer should be listed. If two or more employees contribute via payroll deduction and exceed the aggregate of \$100, the labor organization of which the employees are members, if any, must also appear. [R.C. 3517.10(B)(4)]

## *In-Kind Contributions Received - Form 31-J-1*

The In-Kind Contributions Received form is used to report when the committee receives items or services. For example, if someone donates postage stamps for use by the committee, the form would show on what date they were received, the name and street address of who gave them, that it was stamps that were received and the fair market value. The date that should be used is the date on which the item was received or benefit occurred [R.C. 3517.01(B)(5), 3517.10(B)(4)]. This form is also used when items or services are purchased by the candidate or someone else on behalf of the committee and for which reimbursement is not requested or desired ("out of pocket" expenses).

The Date block should be completed with six digits. For example, March 9, 2005, would appear as 03 09 05.

The State block should be completed with the U.S. Post Office's standard two-letter abbreviation. For example, Ohio would appear as OH.

In-kind contributions from a person that do not reach an aggregate of \$325\* relative to a particular fund-raising event do not need to be itemized. Write in the Full Name of the Contributor box, "In-Kind Contributions Received at a Fund-Raising Event \$325\* or less," the amount and date.

The Employer/Occupation/Labor Organization<sup>4</sup> block must be used by statewide or general assembly candidates when they have received individual contributions greater than \$100. If the contributor is self-employed, the occupation and the name of the individual's business, if any, rather than the employer, should be provided. However, **all filers** may use the block for contributions received in any amount from a partnership or unincorporated business when the name of the person as well as the business is required to be provided.

In-kinds should *not* be included in monetary totals reflected on lines 1 through 6 of the cover page.

Contributions of items or services to candidates' committees or ballot issues that were not coordinated in some manner with the committee are not considered to be in-kind contributions and should not be reported by the recipient. The donor reports them as independent expenditures.

The total of all in-kind contributions received should appear on line 7 on the cover page.

*\*This amount subject to contribution limit adjustment every two years*
